

February 2012 NEWSLETTER

MESSAGE FROM YOUR PRESIDENT

Hello fellow WSUGA members and belated Happy New Year to you all. I want to thank all those who were able to attend the December conference in Anaheim. I hope you had a great experience. The Board always appreciates your enthusiasm and support of the conferences. We are already working on the 2012 conference and are targeting getting a preliminary list of breakout sessions for the spring so that you'll have more time to plan on joining us in December. The exact dates and location are being worked out and we will let you know more as soon as possible. We are looking at about the same time frame as last year- early December...just in case the Mayans were right ☺.

I'd like to welcome back to the Board Tonya English (Yuba County, District Attorney's Office - OSSI) and Jason Jaurigue (City of Fontana – PLUS) as Advisory Members. Both have been invaluable additions to the Board and I'm glad we can use their skills again this year. We will be speaking with other WSUGA members who submitted applications for Advisory Member positions during the last conference soon and I'll be looking forward to introducing the selected member(s) to you in the next newsletter. The Advisory Member role is a great way of becoming involved in the WSUGA Board and assisting in making the conferences the best that they can be. Contact any of the Board members if you are interested in applying for a position or if you want more information. Applications are always welcome.

Don't forget the 2012 SUGA International conference will be June 3-7, 2012 at the Disney's Coronado Springs Resort, Lake Buena Vista FL. Online registration opens February 16, 2012 at their website:
<http://www.sugainc.org>.

2012 is shaping up to be another exciting year so I plan on keeping you updated on the goings on as the year progresses.

Looking forward to seeing you all in December.

Sincerely,
David Jarman, President
